

Interschool Cross Country 2011-2012

The 2011 HKSSF Inter-school Country Competition (Shatin and Sai Kung Secondary School Area) was once again held at Tai Lam Country Park. The event was originally scheduled for 10 November but unfortunately had to be cancelled due to adverse weather and was re-scheduled on 22 November 2011. This year's competition witnessed some eye-catching performances, particularly from the Boys C-Grade which finished the competition ranked

first out of 26 participating schools and crowned overall CHAMPIONS in the teams competition. In other teams scoring events, Sha Tin College also gained very encouraging results earning silverware by taking overall 8th, 4th and 5th in the Girls, C-, B- and A-Grades respectively.

There were definitely some serious and amazing running from all of our students, notably from Jeremy Ma (9K) and Stephanie Holloway (9S) who was respectively placed third (from 208 runners) and second (from 176 runners) individually. Well done and many congratulations to our Cross Country Teams.
